IT HAPPENED

LONDON (UP) — Britain's National Health Program has been asked to provide a woman with an electric massager because she has insomnia and sleeping tablets make her nervous, the British Medical Journal said yesterday.

TITO AT ARMY MANEUVERS—Yugoslavia's Marshal Tito (right) shakes hands with Colonel-General Kocha Popovic, Chief of the General Staff, during recent Yugoslav military maneuvers. Yugoslavia has made demands that Albania cease provoking border incidents and this army activity serves to underline Tito's warnings.

YOUR COMMUNITY CHEST

Tomorrow we're going to pass the ball over to you. Tomorrow Community Chest drives will get underway in both Ontario and Upland with Ontario kicking off with a big parade at 10:30 a.m.

We have told you about the Chaffey Girl Scout council, the Junior Welfare league, the sick baby fund, YMCA, the Rheumatic Fever clinic at San Antonio hospital, and we will continue to show you how chest funds are used during the coming days of the Red Feather campaign.

Now the job is up to you. Whether you want to give what averages out to about $1 per person regardless of whether you live in Ontario or Upland. The goals are not out of line with the per capita giving power of the population. Upland's goal is set at $8000. A quarter of that figure has already been raised but don't let that stop you from helping the Community Chest exceed its goal there.

Ontario's goal is set at a conservative $11,189. That's even less than a $1 per person. That should be easy for some of you to meet. You won't really miss a $1 apiece. Maybe you want to give more. That's all right, too. We can assure you that every dollar will be appreciated and will be used in the best possible way.

When it comes to a slogan for this year's Red Feather we sort of like the one they are using in Los Angeles:

"Don't give 'til it hurts—

"Just 'til it feels good."

Morning Headlines

300 PHONE CIRCUITS CUT

LOS ANGELES (UP)—Long distance telephone lines, radio programs and news circuits were broken temporarily yesterday when a major cable carrying 300 telephone circuits between Los Angeles and San Diego was partially severed by accident. A hydraulic drill crew working west of Whittier caused the temporary break in service but the important circuits were switched quickly to other lines, the Pacific Telephone and Telegraph Co. said.

DUCK SEASON OPEN TODAY

SACRAMENTO (UP)—Duck hunters in most areas of California open fire at noon today in what has been described as the most promising season in years. The first part of the split season extends through Nov. 9. A second open period will run from Dec. 19 until Jan 7. State and Federal agencies have reported more ducks than in recent years, especially in the northern part of the state. In a narrow strip of the state bordering the Colorado river, a continuous 50-day season will open Nov. 18.

NO SENSE IN STRIKES, SAYS TRUMAN

WASHINGTON (UP)—President Truman told some 200 of the nation's top industrial executives last night there is "not a bit of sense in the world" to the current coal and steel strikes. Speaking in stern terms, he cautioned the business men to get together with labor in a hurry lest the economy suffer dangerously.

RED SANDERS' FATHER KILLED

NASHVILLE, Tenn. (UP)—Henry Edgar Sanders, 76, father of UCLA football coach Red Sanders, was killed instantly yesterday when the car he was driving smashed into a train. The elder Sanders, who ran a novelty company here, was alone in the auto when the accident occurred about 4:30 p.m. (PTS). In Los Angeles, his son made immediate plans to fly to Nashville for the funeral, although arrangements are incomplete.

TRUMAN MAY SEEK TAX HIKE

WASHINGTON (UP)—President Truman said yesterday he may seek a tax increase next year as the only way to balance the budget but congressional tax experts countered that less spending would get the same result. Mr. Truman told a news conference the government must be pulled out of the red and that it may require tax revision because "we've got to find the money to run the government."

YUGOS HAIL UN VICTORY

BELGRADE, Yugoslavia (UP)—Private and official quarters last night hailed Yugoslavia's election to the United Nations security council. The news came on the fifth anniversary of the liberation of Belgrade by Russian troops. It spread quickly. First news of the election came to the nation in the 7 p.m. newscast, a brief dispatch of the official news agency Tanjug. It was announced without comment.

CLOSE IN ON GOLD SMUGGLERS

LONDON (UP)Police of eight European countries are closing in today on a big air-sea smuggling ring which may be transporting "payoff gold" to Western Europe from behind the Iron Curtain. Scotland Yard and Amsterdam police said the gang, using at least eight planes, has transported or parachuted millions of dollars worth of gold bars into Western Europe during the past year.

MAYER CONFIRMED AS PREMIER

PARIS (UP)—Rene Mayer, 54-year-old financial expert, was confirmed by the national assembly last night at France's 14th post-war premier. Mayer, a radical socialist, won the assembly's vote of confidence by a vote of 341 to 183. This gave him a margin of 30 votes more than the 311 he needed.

Open New PE Freight Protest

Pacific Electric railway's freight policy is in for a time Monday night at a mass meeting of the Associated Property Owners in Upland council chambers.

Kicking off their new membership drive at 8 p.m. Monday night, the property owners expect a record turnout. By-laws of the group, formed last summer to call a halt to the PE's practice of running long transcontinental freight trains through Upland, will be read and submitted for approval.

Willard Stump was elected secretary of the property owners' group, at an executive board meeting Tuesday night, at the home of Charles R. McGee, 1910 West Huntington drive, College Heights. Stump replaces former Secretary J. M. Seibel, who resigned and moved from the district. Stump will serve until a general election of officers in the near future.

John A. Dennis, who has had a leading part in the formation of the group, took over officially as treasurer, Tuesday night.

APPOINT COMMITTEES

The membership drive, which starts officially Monday night, is under the direction of Mrs. Steve Koester and Mrs. Lloyd M. Parson. They will appoint five committee members to assist them.

A drive to raise funds to use in fighting the railroad's practice of running long, heavy freights over its right-of-way through Upland, is being planned, according to Mrs. Charles R. McGee, publicity chairman of the group.

"We are having our own receipts printed and will do our own soliciting," Mrs. McGee said.

ASKS DONATIONS

The Associated Property Owners ask that donations to their fighting fund be given only to accredited representatives. Unless a signed and numbered receipt of the organization is given, they ask that donations be withheld until a check with their organization has been made.

A progress report is ready for reading at the mass meeting. It will report on actions taken and research done since the last meeting of the group, several weeks ago.

T. L. Wagenbach, Pacific Electric representative, stated the company's policy at a public meeting called by the Upland City Council in August. The railroad is in the freight business to make money and plans to increase its freight traffic as much as possible, he said.

STANDS PAT

The Associated Property Owners are seeking means to halt the Pacific Electric's long transcontinental freights, which are continuing to shake homes and damage property along the right-of-way.

The PE's franchise, which has until 1961 to run, is the focal point of the struggle between the two groups. The railroad is standing pat on the liberal interpretation of the franchise, written by railroad lawyers many years ago, in which they are given a virtual blank check as far as freight rules are concerned.

The property owners are seeking information, gathering aid from other cities on the right-of-way, and soliciting funds in a campaign to halt the heavy freight traffic which they claim is ruining their homes and lowering property values.

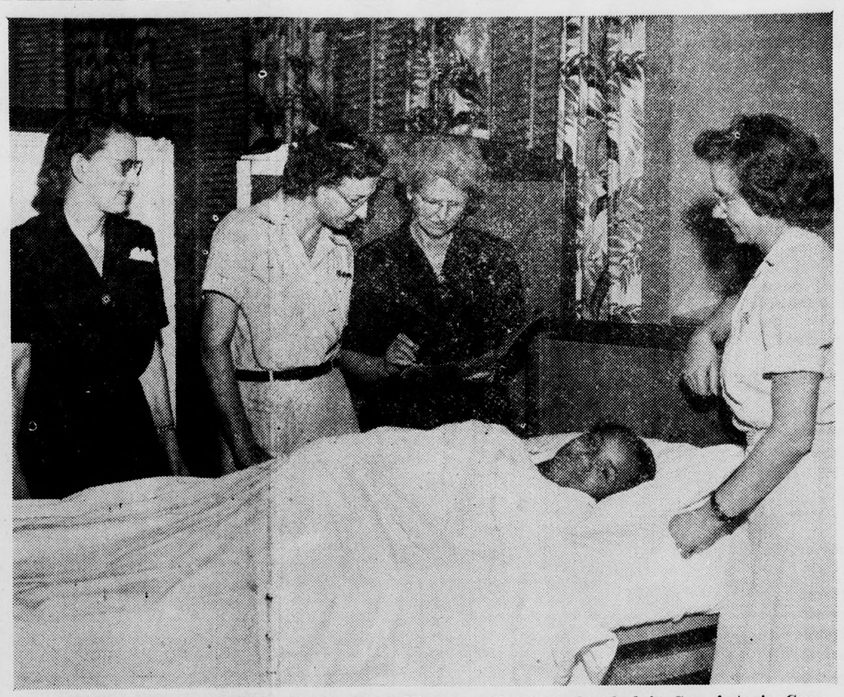

Traubel Shows Vocal Power

Civic Concert association opened its 1949-50 season last night by presenting Helen Traubel, Metropolitan opera soprano, in a concert at Chaffey auditorium.

Miss Traubel demonstrated the versatility and power of her voice in a program ranging from operatic selections to Negro spirituals and folk songs.

Outstanding was her rendition of Isolde's Narrative from "Tristan and Isolde", part of the operatic role for which she is famous.

Coenraad V. Bos, Miss Traubel's pianist, played two Chopin selections.

RHEUMATIC FEVER CLINIC—Patient Hazel Walker smiles from her bed in San Antonio Community Hospital's rheumatic fever clinic ward. Checking fever charts and aiding in one of the Community Chest's most important functions are from left to right, Nurse Iva Renstrom; Miss Eleanor Fridzen; Miss Bertha Schwarzwaelder, Ontario public health nurse; and Miss Janet Johnson, Upland public health nurse. Rheumatic fever, 10 times more prevalent and crippling than polio, is being fought in the West End with your contributions to your Community Chest.

Circulation Club Offers Chance to Win New Hudson

Every day interest is increasing in the great $4700 circulation club through which The Daily News-Herald will award a gorgeous, fully equipped, brand new Hudson Sedan, a second grand award of $500 in cash and two $100 and two $50 cash wards, all within a few weeks time.

All who do not receive an award will be paid for every subscription to the Daily News-Herald brought in, whether new or renewal. Thus, it is well worth while to work in the Circulation Club. Any one may make large sums of money on commissions alone.

Real live wires may start work now and get to the top before the campaign closes. School girls and boys who need extra money may do well on commissions alone.

ALL COUNT

However, all subscriptions count as points on the awards and every one who tries will be eligible for an award if they receive enough points to win.

There are new leaders this week but every one is so close it takes only a few hours work for any one to catch up.

Mrs. Helen Besant is leading District One, Mrs. H. J. Clewett is second, and Mrs. Ruth West Ennis, last week's leader is a close third.

G. G. Medley is at the top in District two, Roy Case is second and Father Robert Crane is third.

Standings to 5 p.m. Wednesday, October 19, include:

Fall Rally Planned For Boys by YMCA

A fall rally for younger boys of grade school and junior high school age will be held tomorrow morning at the YMCA in cooperation with the Community Chest parade to introduce the facilities of the new Memorial YMCA building to all boys and to further the policy of boy's membership being available to all boys irrespective of payment of fees.

Saturday morning's program will open at 9:30 a.m. with a number of individual contests in the gymnasium and games in the recreation room prior to the parade.

TIME TO CHECK HOME HEATERS FOR FIRE HAZARD

The arrival of cold weather is a good time to check out that heater before it has a chance to cause a costly fire.

That is the advice passed on to Upland citizens today by Fire Chief Howard C. Paulin. If all users of gas, oil, and wood heating equipment would take time to carefully check for dangerous features, many heating fires would be avoided.

Windows should be left open in any room being heated by gas heaters, the chief said. Upland hasn't had a casualty from gas heat in years but it could happen any day to a careless gas user, Paulin warned.

Vines over chimneys are another source of danger that can easily be eliminated by a little trimming, Paulin said.

Chest Kickoff Set Tomorrow

Marching bands and fact-packed floats will herald the Ontario Community Chest's 1949-50 drive for $32,000 Saturday morning on Euclid avenue.

More than 600 marchers and riders are expected to join the parade kick-off at 10:30 a.m. Saturday in downtown Ontario.

Lead by a color guard from the VFW and the San Bernardino county mounted sheriff's posse, marching Boy and Girl Scouts and two bands will parade on Euclid from Ito B streets.

All units participating in division of chest funds will be represented by floats or marching units. Two bands, an Air National Guard sound truck; marching Scouts; and floats carrying informative posters showing how the $32,000 will be divided are in the parade.

Art Exhibit Opens Sunday

Chaffey Community Art association's Ninth Annual Purchase Prize exhibit opens Sunday in Chaffey college Women's gym for a seven day run.

Painting of 50 nationally-known artists will compete for the $500 purchase prize. The exhibition opens October 23 and runs until October 30.

The selection committee has carefully assembled top quality canvasses from leading artists. Rici Leburn, Georg Picken, and Paul Sample have submitted oils for the purchase prize.

A non-competitive exhibit of sculpture, under the direction of Charles Lawler, Claremont sculptor, will be on display.

Absentee Ballot Applications Due Before Nov. 3

Applications for absentee ballots for the November 8 special election must be made with the county registrar of voters before November 3 in order to be eligible.

Walter V. Combs, assistant county clerk in charge of the election department, said today that a written request must be mailed to his office in San Bernardino before November 3.

Absentee ballots have been sent out to 193 applicants by yesterday, the second day they have been processed. This is less than the normal number of from 250 to 300.

Combs stressed the fact that the voter must make an application by mail or in person at the registrar's office.

Ontario and Upland League of Women Voters have volunteered to go to the home of any sick person requiring an absentee ballot and witness the necessary signatures. Otherwise a notary public must witness the signature, Combs said.

Voters planning the use of an absentee ballot must take it upon themselves to write for their ballot and notify the League of Women Voters that their services are requested.

Combs stressed requesting a ballot before November 3. Any requests received after that date will not be honored, he said.

Services Held For Steel Man

Funeral services for Hubert Lenhart, former general manager of Kaiser Steel in Fontana, were held yesterday at Rose chapel, Rose Hill Memorial park, Whittier.

The Rev. Rufus W. Oakey of Upland Presbyterian church officiated with private interment following.

Lenhart, former Upland resident and a former general manager of Kaiser Steel's Fontana plant, died Tuesday morning at the home of his daughter, Mrs. Louise Churchill, in Long Beach.

Lenhart was the first blast furnace superintendent at Kaiser Steel in 1942. He was promoted to general superintendent and was serving as general superintendent when he resigned in 1948.

Upland Moves to Give Crossing Proper Lighting

Upland City council last night took steps to prevent a grade crossing tragedy like the one which killed 16 persons on Oct. 2 near Ontario by authorizing proper lighting for the PE crossing at Arrow highway.

The council voted to install a night light at the crossing upon the recommendation of the Upland Safety council. The Safety council made four other recommendations.

It asked that a "No Heavy Traffic" sign be placed on Sixth avenue between Arrow highway and Ninth street. The city council moved that the police commission, the police chief, and the City manager study the street and report on the matter. It also wants a recommendation as to which side of the street should be closed to parking.

STREET SIGNS

The council made no decision on the suggestion to revise the street signs in Upland.

On one recommendation is was found that the job had already been done. This asked that the reflectors at the intersection of Eighth street and San Antonio avenue be replaced.

No action was taken on the request that signs limiting the speed limit to 15 miles per hour be placed in the ball park area.

It was proposed to the council that the picket fence at Foothill boulevard and Euclid avenue be replaced by some device that would provide more illumination. The city manager suggested that a small fountain be put there. He was asked to check the cost of the fountain and make a report.

Upland Council Votes $100 for Vet's Day Fund

Upland city council voted $100 last night to assist in the promotion of West End Veteran's Day Celebration.

Col. C. E. Peterson, general chairman of the celebration, and Houston Dewey appeared before the council and requested funds to aid the committee out of a financial spot. Money troubles have hit the promoters of Vet's Day because of inability to line up two service football teams for a Veteran's Day game in Graber field.

After deciding the celebration would have promotional value to the city, the council voted $100 to aid in carrying out the plans and commitments already made by the veterans' coordinating council.

The money will be used for parade promotion, prizes, and expenses of visiting bands, according to Petersen.

FORGET-ME-NOT SALE

Permission was voted Disabled American Veterans, Upland Chapter 27 to have street sales of Forget-met-nots on November 3 and 4.

First reading of a new garbage proposal came in for some council comment. New rates and procedures will begin when the ordinance goes into effect.

A resolution to go with the new ordinance when it is adopted setting rates was read. Garbage and rubbish collection for homes will cost 75-cents a month; rubbish alone 50-cents; and garbage alone 75 cents. Garbage collections for business establishments has been set at $1.50 a month with a 20 per cent discounts for annual payment in advance. A 10 per cent penalty will be assessed for late monthly payments.

ANNEXATION ORDINANCE

First reading of an ordinance to annex sections of land on Foothill boulevard in the vicinity of Cofer's Cafe was approved and filed.

Two bids on a new truck for the water department were opened and read. They were referred to the city manager for action. Ellery Wright company offered a Ford truck for $1,423.29 including tax. Allan A. Couch offered a Chevrolet truck for $1,426.99 including tax.

A copy of an insurance policy for the Star Taxi company was filed with the city clerk after approval by the city attorney in accordance with existing laws and ordinances.

REQUEST FULL COVERAGE

An insurance representative appeared and requested the council to insure the city hall for its full value of $100,000 when the present policy is renewed. Present policy insures the city hall for $15,000; contents for $5,000; and carries a $40,000 explosion clause. This costs the city $375 for a five-year policy.

Under the new full value plan costing $1,157.60 for a five-year policy, the city would insure the city hall for $100,000; and contents for $15,000 into a blanket $115,000 policy.

The mayor appointed a committee of Councilmen Goodban and Hottel and City Manager Manley to study the matter and make recommendations at the next meeting.

SUGGESTED SEWER

A letter from the Upland Elementary school board requesting a permanent settlement of plans for a sewer to the proposed Sierra Vista school on 14th street was referred to the city manager to confer with the school officials.

Councilman Paul Hottel suggested running the sewer up beyond 14th street in to territory long needing sewer connections. The city manager will investigate the matter and report back.

Prankster Puts Tire in Engine

Something new was added to the oil in Wade C. Collins' car last night that isn't likely to start a new advertising trend—rubber.

When he left his car for a while some malicious prankster put a tire under the hood. He returned and drove off, later discovering what had happened. By that time some rubber had become lodged in the oil pan.

Collins, who lives at 708 East Ontario boulevard, had the oil drained immediately and as yet doesn't know if the rubber particles damaged the motor.

The heel of a shoe was the only clue to the person who tried to break into the rear of the J. J. Newberry store in Ontario. About 3:20 a.m. a police officer found that the rear door had apparently been forced with something like a pinch bar and was raised three inches above its normal position.

James A. Mertz of 1062 West I street has reported that about $40 worth of taps and dies were stolen from his shop last night. He doesn't know how the thief entered the building.

CATCHING UP

MANILA (UP)—The United States Philippine War Damage Commission announced that it has paid more than $214,000,000 on claims as of September 9. The commission said that less than one-fifth of the 1,250,000 claims remain to be processed.

The WEATHER

You may be able to put away that extra blanket tonight, advises Willoughby Weatherbird, who predicts slowly rising temperatures for today, along with variable cloudiness.

Willoughby also reported that Southern California's $200,000,000 fruit crop escaped serious damage in yesterday's early-season cold spell, now believed past the danger zone.

TREASURE CHEST DAY IN UPLAND SATURDAY

Read how to win Treasure Chest Prize.

If you are 18 years of age or over and reside in Upland, Ontario, Alta Loma, Cucamonga or Etiwanda, you are eligible to participate in the UPLAND MERCHANT'S TREASURE CHEST DAY.

Buy Saturday at the stores advertising on this page. Be sure to ask for a sales slip on every purchase regardless of whether or not your purchase is an advertised special. Payments on account will not count, unless it is a new purchase made on Saturday.

Each Monday the Upland Merchants will draw a name from the city directories of Upland, Ontario, Alta Loma, Cucamonga and Etiwanda. A representative of the merchants will go to the address drawn and the winner will be presented with $2.50.

NOW—If the winner has a sales slip dated for Saturday, he will receive an additional $10.00 . . . If he has two sales slips from two different participating stores totaling $1.00 he will win still another $12.50—making a grand total of $25.00.

Each Monday evening at 6 o'clock the Treasure Chest representative will call on the winner. If you are not going to be home tack your sales slips to the door. If you are not home and there are no sales slips on your door you will only receive $2.50.

Any monies not won will be added to next week's Treasure Chest. Each week the winner's picture will be published in the Daily News-Herald.

If the winner is a regular subscriber to either the Ontario Herald or Daily News-Herald he will win an additional $2.50.

Employes of Upland merchants are only eligible if they can present sales slips from ANOTHER merchant participating in the contest. Sales slips from their own store are void. Employes of the Daily News-Herald and Ontario Herald are specifically excluded from this contest.

YOU NEED SALES SLIPS FROM TWO OF THE PARTICIPATING STORES TOMORROW TO WIN THE GRAND PRIZE.

Business Transacted by Executive Board of Girl Scouts Organization

An ardent plea for leaders was voiced by Mrs. Walter Rosenbrock at the monthly meeting of the executive board of the Chaffey Community Girls Scouts organization Wednesday morning in the Scout house in Upland.

This is the usual condition at the beginning of every season, but girls are signing up in all the schools, wanting to become scouts, so volunteer leaders are needed at once, Mrs. Rosenbrock said. Many women living in this area have been scouts and could now give back to the children of today something of what they received from the women of their day. Any one who will assist, is asked to telephone Miss Carole McConnell at the Scout house—315-306.

Saturday will be the kick-off for the Community Chest drive. Since the Girl Scouts benefit directly, they will take part in the parade and also have a float. All Girl Scouts in uniform should rally at the corner of Euclid and F street, at 10 a. m. They will march five blocks to the corner of Laurel and B, where parents will meet them. The sixth grade Girl Scouts will assist with publicity and will distribute pamphlets in the districts adjacent to their schools.

Mrs. Bruce Hettle, president, who presided over the business session, anncunced that the California State Convention for troop leaders and professional workers will be held at Asilomar, Pacific Grove, for three days, November 1-3. Any one desiring to attend the convention should get in touch with the Scout house.

Miss Carole McConnell, field director, reported on the evaluation meeting at La Casita, concerning the Pomona Fair Scout Day.

Next week will be Girl Scout Week, and on Saturday, October 29, at 10 a. m., Troop 27, with Mrs. Robinson as leader, will broadcast over KOCS. The new calendars which the girls sell every year will be ready for distribution at that time.

Mrs. Robert Pollock asked for a clarification as to the use of the Scout house. It was thought not advisable to rent the house as it was planned definitely for the use of Scouts and Upland civic groups. All groups should contact the house chairman about the use of the house.

It was decided that the station filled with Girl Scouts would take part in the Veteran's Day parade, November 11, to represent the Girl Scouts.

Mrs. A. A. Anderson, senior Scout leader, explained a project which senior Scouts are considering, the rehabilitation of a cabin in the foothills near La Casita, but in an area better suited to hiking than for troop camping. The idea was conceived by the girls while on a camping trip to Yosemite last year. La Casita has been so popular that reservation dates must be made many weeks in advance.

Upland Woman's Club Will Hear Young Soprano

Tuesday will be Reciprocity Day for the Upland Woman's Club, with guests coming from neighboring clubs about the district.

The program will begin at 2 o'clock and will feature Ewan Harbrecht, lyric soprano, who has won wide acclaim throughout California and the West for her fine voice and musicianship, her interpretive sense, and her youth and charm.

Although she is young, she has given professional concerts before

EWAN HARBRECHT

more than 100 separate organizations, and in almost every instance has been asked for a return booking.

In addition to her concerts, she won second place in the 1949 KFI-Hollywood Bowl auditions, and has broadcast several times over KNX on the program, "Melodies America Loves."

Following the program, tea will be served by the October committee, under the direction of the chairmen, Mrs. Arthur Rea and Mrs. R. H. Nix.

Newspapers first used paper made from wood pulp in 1867.

Jeweler Speaks To Ontario Woman's Club

Don Wight, Ontario jeweler, addressed members of the Ontario Woman's Club at their first luncheon meeting of the season, Tuesday afternoon in the clubhouse, having for his topic, "The Romance of Birthstones."

He also discussed the history and characteristics of the various stones, and had on display samples of the twelve different birthstones.

Mrs. Edward O. Thomas, soprano, sang "One Fine Day." She was introduced and accompanied at the piano by Mrs. R. Fred Price. Mrs. Gordon Zwissler offered the opening prayer.

Mrs. A. L. Davenport read an original prose selection, "Friendliness," which appeared in a recent issue of "California Clubwoman."

The president, Mrs. Henry I. Vollersen, conducted the business session, and Mrs. A. M. de Berard introduced the afternoon speaker.

Mrs. G. F. Harbidge and Mrs. David Smith were in charge of arrangements. Luncheon was served by the October committee, under the supervision of the co-chairmen.

Arrangements of zinnias and roses, prepared by Mrs. V. J. Leininger, adorned the clubrooms.

During the meeting of the literature section, which preceded the luncheon, Mrs. E. S. Seapy read three selections from "This Is My Best," including "Standard of Living" by Dorothy Parker; "The Devil and Daniel Webster" by Stephen Vincent Benet; and "Mary White" by William Allen White.

Are YOU Going Thru CHANGE of LIFE?
causing you to suffer from HOT FLUSHES?

Does the functional 'middle-age' period peculiar to women (35-52 yrs.) make you suffer from hot flushes, feel so nervous, high-strung, irritable, weak? Then do try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. It's *famous* for this!

Taken regularly—Pinkham's Compound helps build up resistance against such 'middle-age' distress. It's what Doctors call a uterine sedative. It positively contains no opiates—no habit-forming drugs. Pinkham's Compound *helps nature* (you know what we mean).

It's also a great stomachic tonic! Any drugstore.

Upland Cub Scouts Visit Fire Station

Cub Scouts of Den 2, Upland Pack 1, highlighted their weekly meeting with a visit to the Upland fire station.

Fire Chief Howard Poulin and Engineer Gilmore conducted the scouts on a tour of the fire department.

Cubs making the trip were John Anders, Lyle Beckley, Steve Burgan, Lee Crandall, Bob Flower, Ronnie Fuller, Mike Hanamura, Garry Headley, John Hood, Jerry McCullough, Ed Pollack, and John Rathman.

They were accompanied by Den Mother Mrs. Paul Hood and Den Assistants, Mrs. K. Crandall and Mrs. L. Burgan.

Uplander Just Misses Treasure Chest Man

John S. Diffenbaugh of 1677 North Euclid, Upland, almost won a pile of cash in this weeks Treasure Chest contest—but he will get $2.50 worth of consolation if he stops by the News-Herald office.

He will get $2.50 more if he is a subscriber of this paper.

Diffenbaugh's name was drawn, but he was not at home when the Treasure Chest man called.

If the person whose name is drawn this week is at home and can present sales slips totaling $1 from Upland merchants advertising in this paper, he will win a prize of $87.50.

Fremont Nudges Raiders, 7-6

Coach Les Nagler's Upland Junior High Red Raiders lost a heart-breaker to Fremont of Pomona, 7 to 6, on the winner's ground, in one of the roughest junior high games of this or any season.

The Raiders tallied first in the second quarter, with Stan Evers, the fleet scatback, taking a short pass from Sammy Crowe and going 44 yards down the side line to score. Jerry Pollack, right tackle, faked the attempted kick for conversion and ran the ball within inches of the goal line.

Fremont pushed over their only score in the third quarter, with a smash over center from the two-yard line. They were successful in their attempt to run the ball over for the extra point, and led, 7 to 6.

Evers, who was shaken up and had the wind knocked out of him shortly after his touchdown gallop, was held out until the fourth quarter, and nearly saved the game for the Red and White.

He took a lateral from Pollack on a fake punt and threaded his way downfield for 55 yards, only to have the last man trip him up on the nine.

See First Loop Win for Panthers

By DON BENSON

The Chaffey Panthers were in much better shape for their first away from home conference game, than they have been in the past, and eagerly look for their first conference win, as they engage the up-and-coming San Bernardino Indians tonight at the Orange Show stadium, 8 p.m.

Coach George Hobbs will have most of the players ready, with only Dutton, Compton, Pruneri and Lane on the doubtful list. Compton and Lane are flu victims and the others are nursing knee and ankle injuries of varying degrees of seriousness.

The Panthers should have little trouble rolling over the Indians, if they play as hard as they did against the Santa Ana Dons, but they better not be looking ahead to the Fullerton game next week, because 'Berdoo will be plenty "high" for the Panthers.

LOOK BETTER

Bernie Hoyos, Don Stalwick (who looks 100 per cent better in every game), along with Math and Ronnie Bauers, should pack enough punch to cinch the game. The line of the Panthers is good enough to handle the Indians, too, that is if they still retain their fire and fight of last week.

The Panthers' starting lineup is problematical at this time, but Hobbs will probably start Anderson and Compton at ends; Pruneri and Dutton at tackles; Jerry Black and Sherm Hall at guards, and Link Perry at center. In the backfield, it could be Johnny Math, Bob Lane, Don Stalwick and Bernie Hoyos.

PHEASANTS CLEAN UP

DETROIT (UP)—Pheasants like drive-in theaters, too. Every morning they swarm over the parking area of a theater in northwest Detroit and feast on the peanuts and popcorn dropped the night before.

Favor Tigers Over Red Devils

An undefeated Chaffey Tiger squad will travel to the neighboring city of Pomona tonight to meet the thrice-defeated Red Devils of that city. Victories and defeats will mean very little when the pigskin is kicked off at 8 p. m., for this is the big game for these two rivals, regardless of what may be happening in the league.

Pomona will go into the contest as slight underdog, but no doubt will be in high spirits. Coach Harold Hopkins has an inexperienced squad but a fighting one.

Along the forward wall will be four returning lettermen and two juniors up from the sophomores.

Imps Defeat Cubs, 12-6

A pass interception and an 80-yard jaunt up the sidelines by Pomona's speed-demon, Marty Keough, was the margin of victory for the Imps as they defeated the Chaffey Cubs, 12-6. The touchdown came with just one minute of play remaining.

Pomona now holds undisputed possession of first place in the sophomore division of the CBL League. Chaffey, which now has one win and one defeat, meets Colton next Thursday.

Upland Jayvees Whip LaVerne

Upland Junior High's jayvee football team whipped the La Verne jayvees, 12-0, Wednesday afternoon.

Quarterback Joe Agapay's touchdown pass to George Meza in the second quarter was enough to put the game on ice for the local team. The touchdown was set up by Agapay's passes to Bob Wyperd. Upland scored again in the final quarter to make the margin a comfortable one.

The two-touchdown lead might have been much larger, had the Upland jayvees taken advantage of four other scoring opportunities.

PIRATES MEET Anglow's Lumber TEAM SUNDAY

Kenny Smith's Ontario-Upland Pirates will take on the L.A. entry, the Anglow's Lumber, this Sunday afternoon at 2:15, at the Ontario Park.

Manager Smith has both Tad McMahan, a port-sider, and Bill Abernathy, a righthander, ready for mound duty. Abernathy posted an impressive 19-8 record and led the Arizona-Texas League in strikeouts. The rest of the Pirates are in good shape for the game.

LUCKY FIRSTS

DETROIT (UP)—James Carson scored his first hole-in-one while playing his first golf game of the season, using a new seven iron for the first time.

Dr. Oakey Will Speak To Presbyterians

"The Four Winds That Blow" is the sermon topic on which Dr. Rufus W. Oakey, pastor, will speak at the Sunday morning service at the First Presbyterian church of Upland. The choir will sing an anthem under the direction of Robert L. Jones, and there will be an offertory solo.

The third session of the School of Missions will be held in the evening. The social half hour from 6 to 6:30 will be followed by classes. Dr. Oakey will teach the adult class. The evening's program will close with the popular hour at 7:15 when a film about the work of a church in Alaska will be shown.

The fall congregational dinner will be held next Wednesday evening at 6:30 o'clock. A business session will follow the dinner.

The newspaper has been called the common man's university.

Announce Activities at First Methodist Church of Upland

The Cathedral choir will sing the anthem, "We Thank the Lord" (Bortnimnsky) during the morning worship service at the Upland Methodist church, and for the offertory Ronald Wenger will play a trumpet solo, "Let the Lower Lights Be Burning." The Rev. Karl K. Heilman, pastor, will preach on "Living in the Sunshine."

For the 7 o'clock evening service the minister will have for his topic, "When God Forgets." The Chapel choir will sing the anthem, "God Bless Our Land" (Kountz), and Patricia Paine will play a flute solo, "Caro Mio Ben" (Giovdani).

The young people are invited to the Dybsand-Stauffer home for a sing following the service.

The week of prayer and self-denial of the Woman's Society of Christian Service is being observed from October 25 to 31.

Theme for the Bible study hour on Wednesday at 7:30 p.m. will be "Four Facts for the World of Today."

On Thursday at 10 a.m. Mrs. Fred Thornburg will conduct the second session of the study class on "Missions at the Grass Roots" in the church parlor.

Probation After Death Christian Science Topic

"He that shall endure unto the end, the same shall be saved." This statement by Jesus from Matthew's Gospel will be the Golden Text of the Sunday Lesson-Sermon on "Probation after Death" in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston.

Matthew's account of the resurrection relates that "as it began to dawn toward the first day of the week, came Mary Magdalene and the other Mary to see the sepulchre. And behold, there was a great earthquake: for the angel of the Lord descended from heaven, and came and rolled back the stone from the door, and sat upon it . . . And the angel answered and said unto the women, Fear not ye: for I know that ye seek Jesus, which was crucified. . .And as they went to tell His disciples,. . .Jesus met them, saying, All hail. And they came and held him by the feet, and worshipped him."

On this subject Mary Baker Eddy says in "Science and Health with Key to the Scriptures:" "Jesus' unchanged physical condition after what seemed to be death was followed by His exaltation above all material conditions; and this exaltation explained His ascension, and revealed unmistakably a probationary and progressive state beyond the grave. Jesus was 'the way;' that is, He marked the way for all men."

Lloyd Ellis To Give Eighth Of Sermon Series

In the eighth of his series on sermons on "The Church That Jesus Built," Lloyd E. Ellis, minister of the Upland Church of Christ, will use the topic "Teaching in the Church" for his Sunday evening discourse.

The subject of teaching and teachers in the church of the Lord has been greatly neglected, states Mr. Ellis, and there has been some differences among professed followers of Christ as to who is to teach and how to teach. One of the most important phase of the work of the Christian is to assist others to come to a knowledge of the word of the Lord, he says.

Mrs. Ellis has chosen a lesson from the third chapter of James for his morning subject.

The Wednesday evening meeting is devoted to some questions for the children, a discussion of some timely topic, and singing and praying.

The Ladies' Bible class meets on Thursday morning at 10 o'clock, and the group is now studying topics from the New Testament. Each Sunday evening at 6:30 the young people meet for study and song practice.

Rev. Salzman Will Preach

At the 10:30 o'clock worship service at the First Mennonite church of Upland, the Rev. Earl Salzman will preach on the subject "Minding Our Own Business." The choir will sing "I Walked Today Where Jesus Walked" (O'Hara).

Christian Endeavor meetings at 7 p.m. are for juniors, young people and adults, and the pastor will preach at the 7:45 service.

Evangelistic Services Are Continuing

Splendid congregations have been attending each service to hear the Rev. Richard T. Fine at the First Free Methodist church in Ontario. He has been speaking each night at 7:30 o'clock in an evangelistic series, and will be continuing every night next week, except Saturday. Excellent special music has been featured each evening.

On Sunday morning the Rev. Fine will speak on the subject, "The Guarded Kingdom" and for the 7:30 p.m. service, "The Shield of Saul." The Los Angeles Pacific college male quartet will be singing at both the church service and the Sunday school.
